2. CPL 5559, total cost is \$3,280.00 incl. health insurance for students with a GPA of less than 2.8 and a GPA of over 2.0. Health insurance is included if a student progresses through their regular program map.
3. WIL Project Fees - Winter 2022 and beyond \$2,380 (Spring 2023) Students who are not successful at securing a co-op or fail to meet the co-op requirements will be required to register in CPL-5559 WIL Project. There is an additional fee for the WIL Project. The WIL Project Fee will be \$2,380 for each student, provided they have already paid their subsequent co-op fees of \$900 in full in the proceeding three terms.
4. All students studying at Lambton College must be enrolled and pay for Health Insurance.”
5. Students are not permitted to retake a coop semester. They will be automatically enrolled in the CPL 5559 course.

Registration for Part-time Students & Part-time Fees/Retake Fees

Students who register for three courses or less are considered part-time students. There is a registration deadline; please see the important date and deadlines. Part-time students are eligible to register if there is space in the class and if fees are received on time. Part-time students are encouraged to register as early as possible. Part-time students can inquire about space by contacting student services at your location.

Please Note: International Students are not eligible for part-time studies unless approved by Student Services. Approval is granted in exceptional circumstances only (e.g. make-up course) in your final term.

Please see the [Academic Scheduling](#) policy for further details.

Retake Policy and Textbook Fee Charges

Students need to retake courses to graduate. Those courses are chosen based on the following availability:

1. Partner location course
2. If a partner location does not have that course available, Lambton College in Sarnia can approve a reasonable substitute.
3. If a partner location does not have an approved substitute, then an approved Ontario Learn course is used through the Lambton College system.

Please Note: Students who chose their courses from other Colleges might not be approved. Please see your student services department for more information.

Students may need to pay additional textbook charges for Ontario Learn courses or retake courses. See Student Services for more details.
