The Student Residence on the site of the former St. Clair School of Nursing (North Building and Residence) is taking shape.

Purdy's Lunch was postponed due to high temperatures and wildfire smoke, but the following Friday couldn't have had nicer weather. Great Food. Great Company. Scenery & water sounds are soothing.

Missing from photos is Karen McClughan, Photographer and organizer.

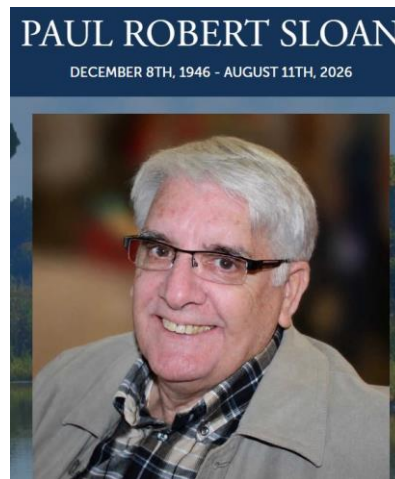

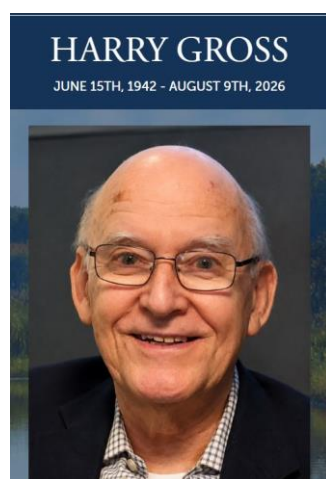

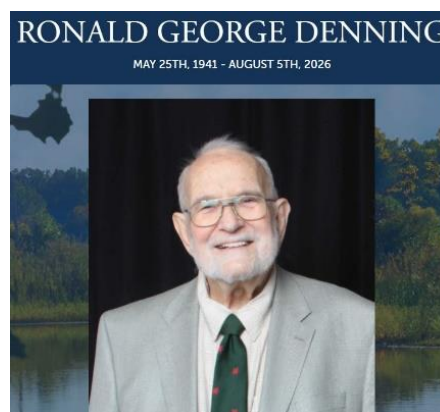

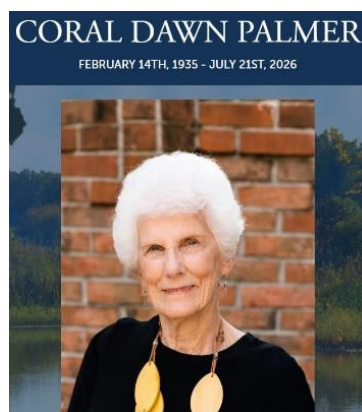

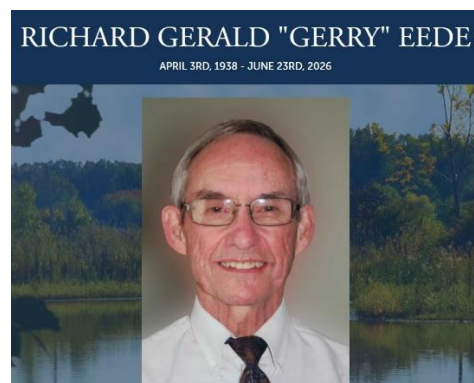

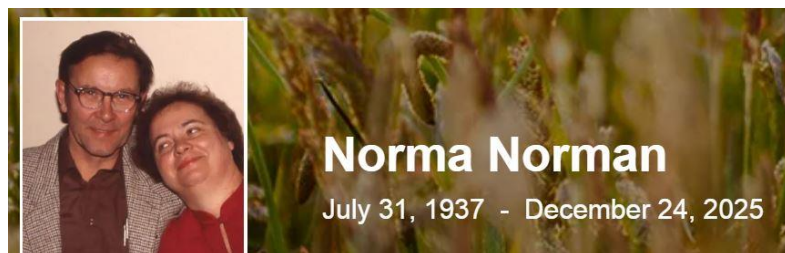

Event 50/50 Draw winner was Brad Swales - \$ 42.50 and LCRC - \$42.50

Have not done the research, but fairly sure all these
Pioneers of the College have passed.

Thanks to Marlene Rothenbury for passing on this
article.

Thinking of the Families and Friends of these former Colleagues.

1976 was 50 years ago.

Modeland Road Campus was fairly new.

St. Clair School of Nursing was operating out of the North Building with a residence. The Russell Street location was no longer required.

Portables were on site, to house mainly the Technical courses, which were moved from Bluewater.

Congratulations to Kate Large. Winner of the free 2027 Membership draw held at Purdy's.

Membership has been \$ 10.00 since 1998.

And in 2026, when everything else has increased, this has remained a great value.

E-transfer to lcetirees1966@outlook.com, send a cheque to Kathi Vandenheuvel, 2464 Jane Street, Brigden, N0N 1B0 or catch up with one of the Executive and pay cash.
