

The Valentine Luncheon at Wagg's had 23 diners enjoy a wonderful meal and great company.

The 50/50 Draw was a hit. \$ 85.00 was the pot, split between The Club and Eleanor Yates.

Eleanor actually pulled her own number, but her lunch neighbour had to advise her the winning ticket was in front of her. Lots of laughing and others volunteering to draw the ticket next time.

The Winner of the \$ 25.00 Gift Card for the Membership Drive was Barb Hoffman. Congratulations.!

Obituary

Larry Henry

January 24, 2026

Larry worked for Lambton College as a Computer Analyst for many years and took great pride in his work.

At Christmas Time he claimed to be the Grinch or Scrooge. But that was all part of the great sense of humour he possessed.

Lambton College Archives has a link to some digital items:

a work in progress since 2024.

The College will turn 60 in 2026.

There are a few members that were the original staff at Bluewater Campus.

Let's hear some stories from the really early days. Will dig into the Archives to find a few too.

I graduated from the ECE Program in 1970 ... Our classes were at the then campus surrounded by the Chemical Valley and at the former St Patrick's School on Essex Street...
