Any guesses who this future College employee would be?

# Grown up Almost

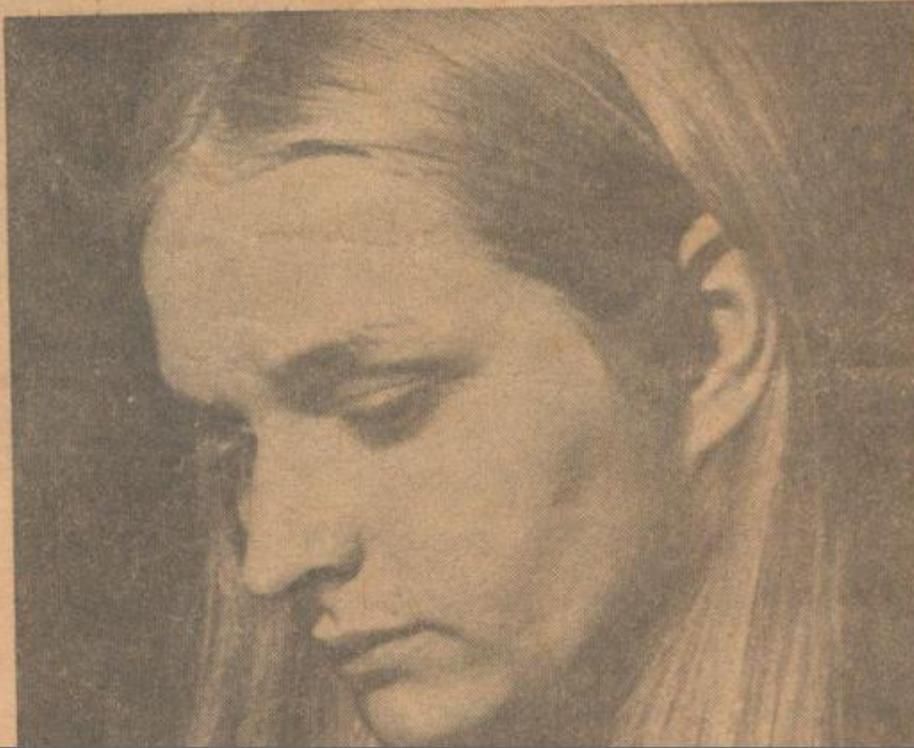

You're a big girl. High School is almost a thing of the past. The dances; the after four cokes; the slow walks home; the security; and just knowing you belong.

Soon all this has to change. Because you're a woman now. You've almost reached the time to be on your own. It's an adventure. It's exciting to think about. But it's also frightening. Because it's a tough world. And when you start out, you're pretty much on your own.

Lambton College can help you make that transition from school girl to career woman. You'll take courses that will prepare you for the tough world. You'll learn in one of the biggest business centres of Canada.

Write or call for information on Lambton College and be prepared.

The Registrar, Lambton College, 1457 London Road, P.O. Box 969, Sarnia, Ontario. 542-7751.

To all our Lambton College Retirees'

This is an open invitation to any retiree who would like to join our club's executive group.

Our executive group is involved in the retiree club's operations and choosing activities that are of interest to the members.

Through our Common Thread Newsletter, we keep everyone up to date with college news, members health and notice of other social activities.

Over the last 25 years we have grown in size.

New ideas are always welcome.

This is your chance to plan the next 25 years with us.

Thank you

Your Executive Committee

Mel Sparks has expressed that he will be no longer involved in the Club. Mel was an original member of staff at Bluewater and a founding member of this Club.

We thank him for all his contributions through the years. Enjoy life Mel and maybe see you around town.

Ursula Westelaken has decided to not stay on the Executive Committee. She says she will still see fellow retirees at the functions through the year, if they are in the area. Thanks for your past contribution.
