

Part IV: Design of Public Spaces (Built Environment)-s.80

AODA Standards / Regulation Reference o. Reg.191/11, s.80	IV: Design of Public Spaces Deliverables	Administrative Responsibility: Activities	Responsibility / CMT Champion	Compliance Deadline: January 1, 2014 Status
Provide accessible public spaces	Newly constructed outdoor public spaces and all services areas (built after January 1, 2016) will meet all requirements, including: <ul style="list-style-type: none"> • Recreation trails • Public eating areas • Outdoor play areas • Exterior paths • Accessible parking • Obtaining services. 	Physical Resources has strived to comply with the proposed Built Environment Standards since the introduction of the AODA in 2005. Physical Resources continues to comply with the regulation and apply the new standards when designing new facilities and when carrying modification to existing facilities*. When identified and when viable to do so, existing non-conforming facilities will be brought up to the new standards as per the legislation.	Facilities Management, Brent Thomas	Complete and Ongoing Procedures are in place for preventative and emergency maintenance of accessible elements in public spaces, and for dealing with temporary disruptions when accessible elements are not in working order
