Briefing Note – Ontario Non-Profit Corporation Act and College By-Law 1

Issue

As of October 19th 2021, the Not-for-Profit Corporations Act, 2010 (Ontario) (ONCA) replaced the Ontario Corporations Act resulting in the need for all Ontario Colleges to review by-laws to ensure compliance with the new Act. Key identified differences must be worked into the existing Board By-laws were applicable. Lambton College Board by-laws and policies have been reviewed and revisions are recommended for By-Law 1 to ensure compliance.

Background

An Ontario College is a corporation without share capital (not-for-profit) established under Ontario College of Applied Arts and Technology Act, 2002 (OCAAT Act), a registered charity, a public benefit corporation, a Crown agent subject to regulatory oversight of Ministry of Colleges and Universities (MCU) and governed for many years by Corporations Act (Ontario) (OCA) where OCAAT Act was silent. With the enactment of ONCA, colleges must review their by-laws to revise where applicable to comply.

Key differences and areas for colleges to review identified through legal advice obtained by Colleges Ontario were presented as:

- New concept of public benefit corporation
- Qualifications for governors
- Governor standard of care
- Governor decision making
- Audit committee provisions
- Indemnity provisions
- Other matters

Summary of Changes

After reviewing Lambton College Board of Governors By-Law 1, the following substantiative revisions are being recommended:

1. **4.5 Eligibility Requirements of Governors** (revised) will now include an individual has not been found under the Substitute Decisions Act, 1992 or under the Mental Health Act to be incapable of managing property and an individual who has not been declared an ineligible individual under the Income Tax Act (Canada).
2. **4.6 Governor Standard of Care** clause added.
3. **5.7 Terms and Vacancies (added)** All appointed or elected Governors will be asked to formally consent to hold office within 10 days and consents will be maintained as part of the corporate record.

4. **8.1.1 Indemnification by the Board (added)** “if they [a governor] acted honestly, in good faith, with a view to the best interest of the corporation and in cases of criminal or administrative proceedings enforceable by monetary penalty if they had reasonable belief the conduct was lawful”

5. **12.11.3 Governor Deemed Consent to Resolutions (added)** articulates that a governor present at a meeting is deemed to have consented any resolution unless they dissent is requested to be noted or is noted in the minutes. As well, if a Governor is not present at a meeting, then the Governor is deemed to have consented to any resolution or action at that meeting unless they dissent within 7 days of becoming aware of the resolution.

6. **15.1 Auditors and Reporting (added)** The Auditor will be given notice of all Finance and Property Committee Meetings and are entitled to attend.

7. **18.1.3 Executive Committee (added).** The full Board’s non-delegable powers have been articulated.

8. **19.2 Finance and Property Committee (added)** It has been added that the majority of committee members must not be Officers or Employees of the corporation or any of its affiliates.

8.3 The governors of the Board shall not be under any duty or responsibility in respect of any contract, act or transaction whether or not made, done or entered into in the name or on behalf of the Board except such as shall have been submitted to and authorized or approved by the Board.

8.4 If any governor or officer of the Corporation shall be employed by or shall perform services for the Board otherwise than as a governor or officer or shall be a member of a firm or a shareholder, director or officer of a company which is employed by or performs services for the Board, the fact of his or her being a governor or officer of the Corporation shall not disentitle such governor or officer or such firm or company, as the case may be, from receiving proper remuneration for such services.

In accordance with the Minister’s Binding Policy Directive, the Chair, or in the absence of the Chair, the Vice-Chair, shall at the beginning of each meeting of the Board or any Committee, request a declaration of any conflict of interest by those governors present.

meeting of the Board at which the matter is considered, or the governor takes reasonable steps to ensure that it is brought up and read at the next meeting of the Board after it is given.

9.4 If a governor has made a declaration of his or her interest in a proposed contract or contracts in compliance with this section and has not voted in respect of the contract, the governor is not accountable to the Board or to any of its members or creditors for any profit realized from the contract, and the contract is not voidable by reason of the holding of that office or of the fiduciary relationship established.

9.5 Notwithstanding anything in this section, a governor is not accountable to the Board or to any of its members or creditors for any profit realized from such contract and the contract is not voidable if it is confirmed by a majority of the votes cast at a general meeting of the Board duly called for that purpose and if the governor’s interest in the contract is declared in the notice calling the meeting.

9.6 Any governor of the Board who declares a conflict of interest on a matter to be discussed during an in-camera meeting shall leave the meeting room while that subject is being discussed and voted upon, and shall not discuss, lobby or solicit on that subject.
