

Community Integration through Co-operative Education

FAQs

How will theory courses be delivered?

All theory courses will be delivered online.

How will my labs be delivered?

Most students in the CICE Program will not have labs this term. All CICE specific courses will be taught online.

How many days will I need to be on campus?

None. Since all content will be delivered online, you will not need to be on campus.

How has the field placement component of my program been affected?

Field placement will be replaced by an online course that will prepare you for the workforce. You will learn interviews skills, resume building, and many other skills to help you attain and retain gainful employment. Some field placement opportunities will be arranged for second year CICE students. Subject to participating employers.

What additional supplies are recommended for my program? Will I need a new laptop/webcam/microphone?

All students will be required to have a home computer or laptop with headphones, microphone and webcam. Students will also require adequate WiFi.

What if I have questions for my faculty?
