

Esthetician

FAQs

How will the theory courses of my program be delivered?

The theory portion of the Esthetics program will be delivered online, or a hybrid format (a combination of online and on-ground).

How will my Communications or General Education courses be delivered?

All communication and general education electives will be delivered online.

How has the practical lab component of my program been affected?

The lab (or practical) portion of the program has not been affected, we plan to deliver all practical components on -ground as per normal, but in a condensed format. Meaning, that everything that can be taught online, or with video demonstrations will be taught virtually.

How many days will I need to be on campus?

The number of days per week has not been determined. Further information will be provided closer to our September start-up.

What additional supplies are recommended for my program? Will I need a new laptop/webcam/microphone?

You will not be required to purchase any additional supplies other than the required kits listed.

You will also require a laptop with a webcam/ microphone.

What if I have questions for my faculty?

If you have any questions regarding the Esthetic program you can reach faculty at:
