

Pre-Health Sciences Pathways to Advanced Diplomas & Degrees

FAQs

How will theory courses be delivered?

Lectures will be delivered online both synchronously and asynchronously, meaning you will join the class at a specifically scheduled time or view a recorded class in a time that best suits you.

How will labs be delivered?

Chemistry labs will be bi-weekly with a combination of online and in lab exercises. All biology labs are being conducted online.

How many days will I need to be on campus?

1 day/week for a chemistry lab.

What additional supplies are recommended for my program? Will I need a new laptop/webcam/microphone?

You will need a laptop or desktop with a webcam and microphone. A device for scanning and sending documents is recommended.

What if I have questions for my faculty?

Email your course instructor through D2L or your myLambton email account. For program-related issues or concerns, email your program coordinator through D2L or at barbara.dobson@lambtoncollege.ca
