## FAQs - First Year Students

The FAQs below are relevant for first year students.

- [See FAQs for Second Year Students](#)

### How will theory courses be delivered?

Theory courses will be delivered online.

### How will my communications or general education courses be delivered?

If the classes are theory courses, they will also be delivered online.

### What can I expect during practical lab components of my program?

First term courses (January – April) will be completely online.

### How many days will I need to be on campus?

You are not expected to be on campus for the first term (January – April).

### How has the clinical part of my program been affected?

Clinical placements occur after all terms (1-4) have been completed successfully.

### What additional supplies are recommended for my program? Will I need a new laptop/webcam/microphone?

A laptop with webcam and microphone is recommended.

### What if I have questions for my faculty?

Faculty members are available by email and virtually for live meetings.

## FAQs - Second Year Students

### How will theory courses be delivered?

Theory courses will be delivered online. A few courses will have in person tests and/or exams.

### How will my communications or general education courses be delivered?

If the classes are theory courses, they will also be delivered online.

### What can I expect during practical lab components of my program?

Practical labs will be delivered in person on campus. The number of students in the lab will be reduced to comply with Public Health guidelines.

### How many days will I need to be on campus?

At this point we are hoping for two days a week but this may change as the schedules are created.

### How has the clinical part of my program been affected?

Clinical placements are planned to be in May – July as regularly scheduled. This may change over time as we get closer to the placement time period. It all depends on what is happening with COVID-19 in the months preceding placement.

### What additional supplies are recommended for my program? Will I need a new laptop/webcam/microphone?

A laptop with webcam and microphone is recommended.

### What if I have questions for my faculty?

Faculty members are available by email and in person during lab periods. Virtual meetings are also available.
