

Protection, Security & Investigation

FAQs

How will theory courses be delivered?

First year students – courses will be delivered remotely.

Second year students – courses will be delivered in a blended format with a one day per week lab component.

How will my communications and general education courses be delivered?

These course will be delivered virtually for the fall term.

How many days will I need to be on campus?

One day per week.

How has the field placement component of my program been affected?

The field component does not take place until the end of term 4. We are hoping that agencies will be able to host students for field placement but are unable to confirm at this time.

What additional supplies are recommended for my program? Will I need a new laptop/webcam/microphone?

All students will be required to have a computer with a webcam and microphone to engage fully with your peers and faculty when in virtual classes.

What if I have questions for my faculty?

You can connect with the program coordinator at lisa.myers@lambtoncollege.ca.
