## Medical Insurance Policy

---

Medical insurance is mandatory for all full-time, part-time and co-op students of Lambton College in Toronto / Mississauga. Medical insurance is provided by guard.me - a third-party insurance provider. Full-time, part-time and co-op students of Lambton College in Toronto/ Mississauga are not permitted to opt-out of the medical insurance fee. Students are also responsible to ensure that they are covered by appropriate insurance during their break.

Lambton College tuition must be paid in full in order for the GuardMe policy to be effective for the current term. Coverage does not include over-the-counter medication.

GuardMe Insurance is effective only from the first day of classes - not from the date you arrive in Canada. If your arrival date is prior to the start of classes, it is strongly recommended that you purchase travel insurance, including health insurance coverage, to cover yourself until the first official day of classes.

### Fall 2019

Coverage Periods for students starting in:

Fall 2019 – September 1, 2019 – August 31, 2020 – Cost \$660

Winter 2020 – January 1, 2020 – December 31, 2020 – Cost \$660

Summer 2020 – May 1, 2020 – April 30, 2021 – Cost \$660

### Insurance Coverage for Dependents:

It is also important to note that coverage is for registered students of Lambton College only. This coverage does not extend to spouses or children. If you have a spouse or any dependents, you may wish to pay a supplemental fee to include them in your coverage. The policy does not, nor is it intended to, replace the coverage under OHIP (Ontario Health Insurance Plan), for yourself or any member of your family. The health care insurance is a basic package that is subject to change on an annual basis. It is important to emphasize that not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada. This will allow time to purchase additional coverage if needed. Lambton College is not responsible for any of the costs of any form of health care services received or sought by the student.
